VINEYARD:

This wine is a blend of vineyards from different appellations in the lovely state of California. Our diverse sourcing for this wine brings value while maintaining quality.

VINIFICATION:

The grapes were gently pressed whole-cluster and fermented in stainless steel vats. Fermentation occurred using a variety of yeast at low temperatures to preserve fruity esters. After malolactic fermentation the wine was gently filtered and bottled.

TASTING NOTES:

This bright Chardonnay displays aromas of freshly sliced Golden Delicious apples with touches of toasty oak and pear. On the palate flavors are clean and balanced in this medium bodied Chardonnay with elegant notes of quince, more golden apples, and just a hint of wildflower honey.
